

Wartungseinheiten

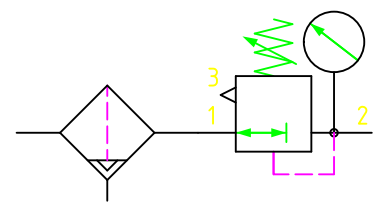

Wartungseinheit-mit-Öler

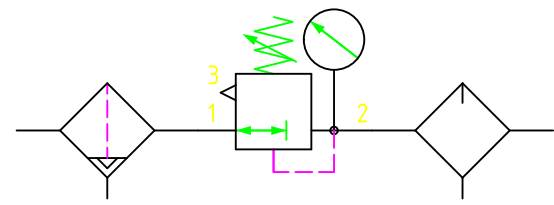

Wartungseinheit-ohne-Öler

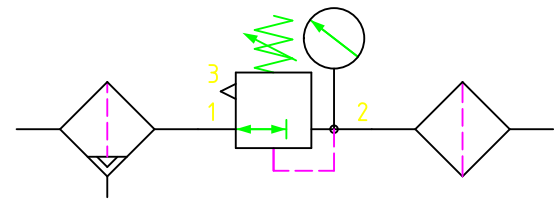

Filterregler, manueller Kondensatablass

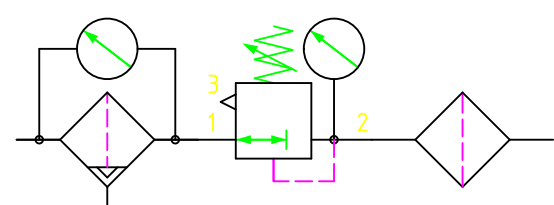

Filterregler, autom. Kondensatablass

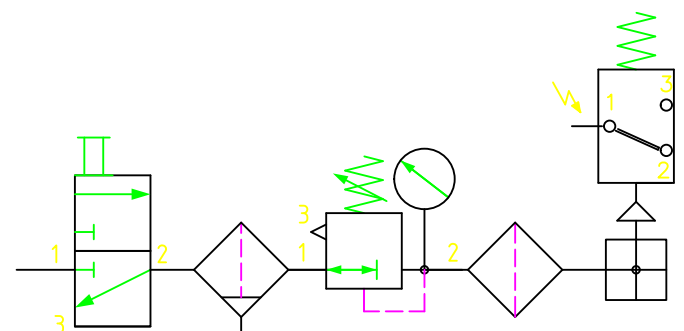

Wartungseinheit mit Öler

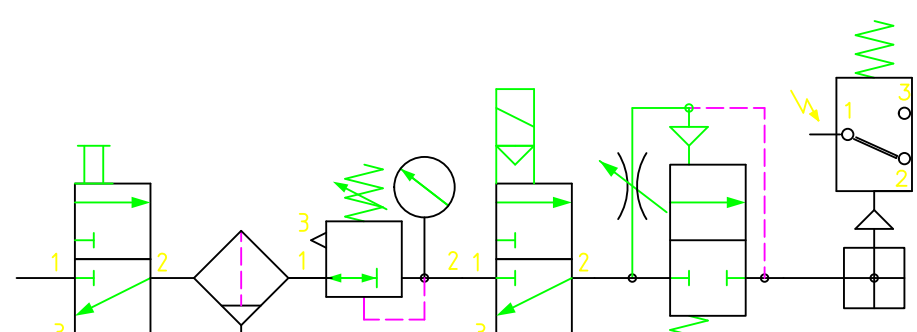

Wartungseinheit mit Feinfilter

Wartungseinheit mit Feinfilter, Differenzdruckanzeige

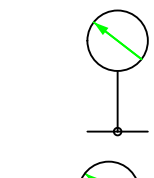

Wartungseinheit, mit Absperrventil, Feinfilter, Druckschalter

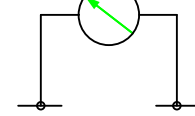

Wartungseinheit, mit Absperrventil, elektr. Einschaltventil, Softstart, Druckschalter

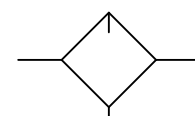

Druckluftaufbereitung, Filter etc.

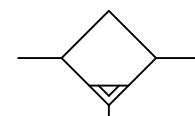

Manometer

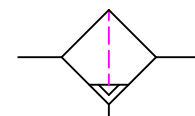

Manometer, Differenzdruck

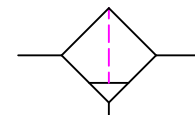

Öler

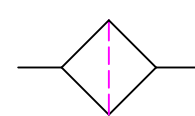

Wasserabscheider, autom. Kondensatablass

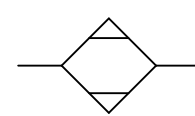

Filter, autom. Kondensatablass

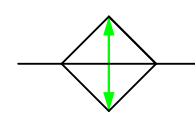

Filter, manueller Kondensatablass

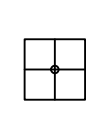

Filter - allgemein

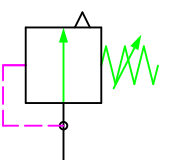

Trockner

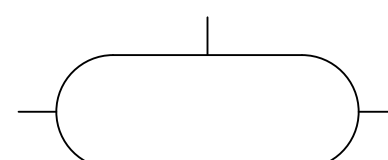

Kühler

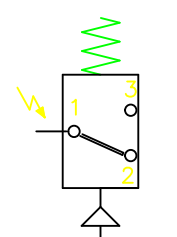

Anschlussblock

Überdruckventil / Sicherheitsventil

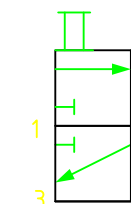

Drucklufttank

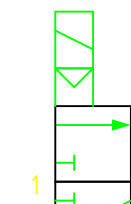

Druckschalter

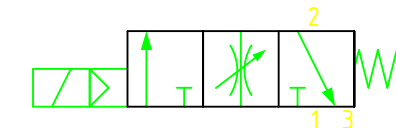

Einschaltventile

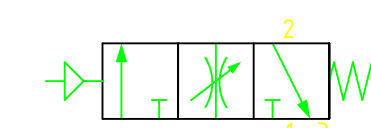

Absperrventil, handbetätigt

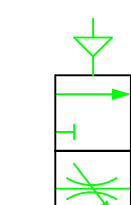

Absperrventil, elektrisch

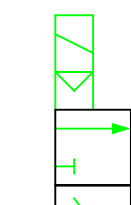

Softstartventil 3/3 WV - elektrisch - horizontal

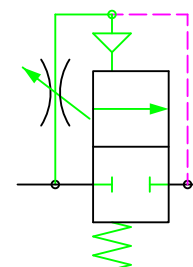

Softstartventil 3/3 WV - pneumatisch - horizontal

Softstartventil 3/3 WV - pneumatisch - vertikal

Softstartventil 3/3 WV - elektrisch - vertikal

Druckaufbauventil, pneumatisch

Schutzvermerk nach DIN 34 beachten
